For the avoidance of doubt, the terms and conditions in this Agreement are agreed to be in lieu of any warranties, obligations or conditions implied by law, trade usage, custom or otherwise.
- 9.2 Each Party undertakes to cover legal liability in respect of any act, omission or default for which it may become liable in the course of and as a result of the arrangements contemplated by this Agreement. For these purposes, each Party commits to develop risk management procedures to minimize losses to the Parties and the Students participating in the Programmes or Activities executed by the Parties under this Agreement, which may include the development of financial resources through operations, reserves and/or insurance mechanisms sufficient to support indemnification.

10. Duration and termination

- 10.1 This Agreement shall come into force on the first date after both Parties have signed the document and shall be effective for a period of 5 years, unless terminated earlier in accordance with the terms of this Agreement. The Parties shall review this arrangement

a minimum of six months prior to the scheduled date of expiry to assess whether or not an extension is desirable.

10.2 This Agreement may be terminated by either Party:

- 10.2.1 by giving reasonable prior notice of such termination of not less 60 working days to the other Party, such notice to expire at the end of the notifying Party Academic Year;
- 10.2.2 by giving notice in writing to that effect to the other Party if the other Party is in material breach of its obligations under this Agreement and fails to remedy such breach within thirty (30) days of receiving notice from the Party not in breach which clearly identifies and gives details of the breach;
- 10.2.3 if there are no longer any students pursuing any of the Programmes set out in the schedule or if there are no Programme(s) being run;

10.3 Individual Programme(s) (and the applicable Activity schedule(s)) may be terminated by either Party:

- 10.3.1 in accordance with the applicable Activity schedule's terms;
- 10.3.2 if there is no longer a student pursuing the Programme, or if student numbers on the Programme drop below a level which means that the Programme is no longer academically or financially viable;
- 10.3.3 by giving notice in writing to that effect to the other Party if the other Party is in material breach of its obligations under the applicable schedule and fails to remedy such breach within thirty working days of receiving notice from the Party not in breach which clearly identifies and gives details of the breach; or
- 10.3.4 in other circumstances by the mutual agreement, in writing, of both Parties.

10.4 For the avoidance of doubt, subject to clause 10.2, termination of an individual Activity schedule shall not affect the operation of any other Programme(s) or the remaining shared Activity under this Agreement. Any termination notice should clearly indicate whether or not it applies to the Agreement as a whole, or the individual Activity schedule.

10.5 **Consequences of termination.** The Parties agree that, in the event of a termination of this Agreement (or any individual Activity schedule(s) – in which case the provisions below shall apply in relation to the individual Programme(s) only):

- 10.5.2 both Parties shall fulfil all of their obligations under the Agreement for teaching, assessment and other commitments until such time as all the students then registered for the affected Programme(s) have completed the Programme, even if such obligations must be fulfilled following termination. Where this is impossible, the Parties shall negotiate and cooperate in good faith to agree a solution which ensures the minimum disruption to registered students. Where termination arises from a breach by a Party, that Party shall bear the costs of any teach-out period;
- 10.5.3 each Party shall cease all use of the other Party's proprietary materials (including teaching materials), trade marks, name, logo, and crest, except to the extent needed for the limited purpose of allowing students to complete the affected Programme(s); and
- 10.5.4 each Party shall provide upon request any information about the Activity required and requested by the other Party for the purpose of fulfilling obligations to students or meeting legal, regulatory or reporting requirements.
- 10.6 Provisions that by their nature should or impliedly survive the termination or expiration of this Agreement, shall (unless otherwise provided in this Agreement) continue to apply after termination or expiration of this Agreement
- 10.7 Termination shall be without prejudice to any claims which either Party may have against the other Party for breaches of obligations that may have been committed under this Agreement prior to the date of termination.

11. Dispute resolution

- 11.1 In the event of any dispute arising in connection with this Agreement, the Parties will endeavour to settle such matters amicably between themselves in good faith. Should they be unable to do so within a period of thirty (30) days of the issue first being referred by one Party to the other in writing, the Parties shall jointly appoint a third party natural person, to act as mediator.

12. Amendments

- 12.1 This Agreement may only be amended by written agreement signed by a duly authorised representative of each Party.

- 13.2 Unless otherwise agreed in the relevant Activity schedule, both Parties' logos will appear on all publicity materials relating to the Activity and each Programme, but neither Party shall use the other's name, crest, logo, trademark or registered image, or the name of any of its staff or students for any purpose without the express written permission of that Party, according to specific clauses in MoU and article 5.3 of this agreement.
