

POSTDOCTORAL POSITIONS AT THE MILLENNIUM INSTITUTE FOR INTELLIGENT HEALTHCARE ENGINEERING (IHEALTH) - SANTIAGO, CHILE

Description:

Postdoctoral fellow positions are available starting 2023, to support the development and collaboration of our main research lines.

Requirements:

The successful candidates must be highly motivated and have an advanced degree (Ph.D.) in Physical Science, Biomedical Engineering, Electrical Engineering, Computer Sciences or related fields. Candidates close to finishing their PhDs are also welcomed for application. A record of peer reviewed journal publications is required. Knowledge of Spanish is not required.
